

Call for Volunteers!!

SCALA is growing & expanding.

We need you to support this growth.

SCALA has become a leading support and proponent for Visual Art education & Professional Development in Suffolk County.

Currently we provide Exhibition & Professional Development services to 30 Suffolk County School Districts and their Visual Art teachers.

If you have any interest, energy, and would like to offer your various skills we'd like you to join our SCALA family and become part of our team.

We have openings for a few subcommittee positions

Which can include:

Exhibitions: This committee communicates with art teachers about our art shows, gathering/organizing registration information and/or assisting with our 4 annual student and member shows & receptions.

CTLE/Professional Development:

This Committee communicates via email with art teachers about their registrations for workshops, managing spreadsheets of registrations, communication via email with instructors, administrative tasks during workshops in person (and/or virtually), managing evaluations after each workshop in preparation for distribution of CTLE certificates.

Planning Committee: This committee needs innovative thinkers who can look towards the future & help plan large events in hopes of 1 day hosting a SCALA Superintendent's Conference Day.

If interested in any of these opportunities, please contact

cgrillo@scalaart.org

Thank you for your continued support and interest in SCALA.

With your involvement & support SCALA can continue to thrive....
