Dear SCALA Exhibition Members,

This year's spring exhibitions will be presented through a beautifully assembled online exhibition on our website.

SCALA has continually strived to put the artistic accomplishments of our students on full display. This year will be no exception, additionally acknowledging our teachers' unwavering determination and resourcefulness in harmony with our students' creative resiliency.

We invite participating art teachers from each district to collaborate in the selection process of student artwork. If possible, we request that one high school teacher submit one registration form for all the participating students for the All County and Senior Scholarship Show. This is so each district does not exceed the maximum pieces allowed for each show.

Registration can be completed on SCALA's website at <https://www.scalaart.org/scalaartshowcase> (Please note the submission needs to be completed on a computer, not on a phone)

The following pages contain specific submission guidelines for each show.

We look forward to seeing your submissions!
